

Choosing a BPA-Free Sippy Cup

Klean Kanteen

- Stainless Steel Construction
- Bisphenol Free, non-leaching
- Single-walled Uninsulated
- Holds 12 ounces (343 ml)
- No handles
- Available in Blue, Pink & Silver

The durability of the Klean Kanteen brand as well as the large capacity makes this a great choice. Once your child is older upgrade to a sport cap and extend the use of the bottle for several years.

Foogo-Thermos

- Stainless Steel Construction
- Bisphenol Free, non-leaching
- Double-walled Insulated
- Holds 7 ounces (200ml)
- Fixed handles
- Available in Blue or Pink

If you need the contents of your Sippy Cup to stay cold for extended periods then the Foogo Thermos is the one to choose.

SAFE Sippy

- Stainless Steel Construction
- Bisphenol Free, non-leaching
- Single-walled Uninsulated
- Holds 11 ounces (314 ml)
- Removable handles
- Available in Blue, Pink & Green

With removable handles, a protective sleeve on the body of the bottle and a large capacity, the SAFE Sippy Cup is a good all around choice if insulation is not required.
